Distribution Main articles: Film distribution and Film release. Film distribution is the process through which a film is made available for viewing by an audience. This is normally the task of a professional film distributor, who would determine the marketing strategy of the film, the media by which a film is to be exhibited or made available for viewing, and may set the release date and other matters. The film may be exhibited directly to the public either through a movie theater historically the main way films were distributed or television for personal home viewing including on DVD-Video or Blu-ray Disc, video-on-demand, online downloading, television programs through broadcast syndication etc.. Other ways of distributing a film include rental or personal purchase of the film in a variety of media and formats, such as VHS tape or DVD, or Internet downloading or streaming using a computer.

Peter Rabbit 2: The Runaway was initially scheduled to be released in the UK and the US in late March and early April respectively, but due to uncertainty over the outbreak, the film was postponed to early August before being postponed once again to December 11, 2020, and January 15, 2021, respectively.87 Sony Pictures, the films production company, said that the changes internationally were because of coronavirus fears, with the US release moved in sync over worries of pirate copies and because the rival childrens film DreamWorksUniversals Trolls World Tour had moved its release date earlier, to the same weekend on which Peter Rabbit 2: The Runaway was initially planned to be released.88 Trolls World Tours forward rescheduling takes it to what would have been No Time to Dies weekend both are distributed by Universal, and leaves it as the biggest film in April.89
